

band following in the slipstream created by Black Stone Cherry - their roots embedded in country, blues and hard rock, and with a refreshing 'take no shit' small-town vibe.

20 Three Long Days

LUKE TUCHSCHERER

In which the frontman of the UK's Whybirds explores his country side via a pedal steel-tastic new solo album called *You Get So Alone At Times That It Just Makes Sense*.

21 Find Yourself Alone

KEN STRINGFELLOW

Light, airy pop rock riding on an uplifting melody, this is from The Posies man's classy, just-released compilation album *I Never Said I'd Make It Easy*.
